Once you've been accepted, talk to your college about deferring enrollment or taking a leave of absence. If you are leaving the country or will not have access to email, be sure to complete a Family Educational Rights and Privacy Act (FERPA) form.

Without this form, colleges will not legally be able to talk with your parents/guardians about you after you turn 18. Talk to the Admissions Office at your college for information on what paperwork you'll need to complete.
